<sup>1</sup> \* **FROM CVUU BYLAWS:** “To retain active status, Members and Affiliates are expected to participate actively in the Congregation’s activities and to make a contribution of record to the Congregation each fiscal year. The contribution should represent the member’s or affiliate’s fair share of the Congregation’s needs, in light of the member’s or affiliate’s income and means, and the fact that generous contributions from others in the past have sustained and built the Congregation we enjoy today. If necessary, contributions of time, labor, goods or services may be made in lieu of a financial contribution.”
