## Highlights from the Last Board Meeting

- CVUU may fiscally adopt the Cache Valley Sangha for financial/legal reasons. They will continue to cover their own expenses
- Emerson is leaving their coordinator position with CVUU in January, but gave us a two month transition period to decide how to adapt
- There was a congregational meeting after the Sunday Service on Nov 28 to discuss needs for the new coordinator position
- THANK YOU EMERSON! We wish you well!

## In Our Thoughts

- ◇ Individuals with disabilities who continue to advocate for accessibility that benefits all of us.
- ◇ Citizens of developing nations who continue to be at higher risk for COVID-19 as a result of inequitable access to vaccines.
- ◇ Those who cannot spend time with friends or family this holiday season.

"We light this chalice for the warmth of love, the light of wisdom, and the energy of action."
